HANDY PHRASES & TERMINOLOGY

BLUNT

Your front foot passes over the rail and you slide on your back foot.

FRONTNOSE & BACKNOSE VS FRONTBOARD & BACKBOARD

Although technically there is a difference due to foot placement, generally they're referred to as the same thing.

LIPSLIDE

Your backfoot passes over the rail and you slide on your front foot.

SIDE HIT

Side hit is the commonly used name for jumping onto a feature from the side.

FRONT & BACK TRICK NAMES

It comes from what side you take off from the feature, NOT the way you're rotating.

BOX TRICK NAMES

Box trick names are called the same as side hit rail even though you ride directly onto a box.
